O R D E R:

The Director of Harijan Welfare has brought to the notice of the Government that the present practice under which he has to award and renew non-residential scholarhips in respect of pupils of eligible communities reading in standards IV to VIII causes great hardship to the pupils, as it takes a long time to sanction thesescholarhsips at the Headquarters, with the result the help does not reach the pupils in time. To overcome this difficulty, he has suggested that this work may be transferred to the Collectors of the districts concerned who are already sanctioning these scholarhips to pupils of I to III standards of the districts concerned as it will facilitate quick disposal of these applications and enable the pupils to get the scholarships in proper time. The Government accept the proposal of the Director of Harija Welfare, and accordly empower the Collectors to sanction and renew non-residential scholarhips to Harijan pupils reading in standards IV to VIII except in the case of the Nilgiris and Madras. The Director of Harijan Welfare will continue to award scholarshop to the pupils from the Nilgiris district and Madras City.

2. The above proposals will take effect from the year 1950-51. The Director of Harijan Welfare is requested to amend the Notification I of the Harijan Welfare Department, suitably and to submit to Government an amended copy in due course for information.

3. The Director of Harijan Welfare is requested to submit necessary proposals to Government for retrenchment of staff in his office consequent on the relief given to his office on account of the above orders.
